

EarPops™

REVOLUTIONARY WARM BANDLESS EAR MUFF FOR ANYONE WHO WORKS OR PLAYS IN THE COLD OR WIND!

Keeping your ears warm in the winter can be a challenge. Ear muffs, headbands, and hats can be bulky and unattractive, as well as uncomfortable and easy to lose. With Bandless Ear Muffs for Men and Women by EarPops™, you can have it all: comfortable, attractive, and portable warmers for your ears that are appropriate for any activity.

EarPops™ slip easily over your ears and stay comfortably in place; keeping the wind and cold out, and your ears warm! They are compact and fit into a pocket or bag when you are not using them, so you will never have to worry about losing them when you are out and about. Besides the cold and wind, many users report using them during summer activities like water skiing to keep the wind and water out of their ears.

If you suffer from earaches, wearing EarPops™ can help prevent them by keeping out the cold air and wind that can aggravate them.

Made of microfiber fleece, these ear muffs will keep your ears comfortably warm. They come in a variety of colors and three sizes-small, medium, large. EarPops™ are not FR.

Size Information

Just measure from the top of your ear to the bottom.
Small: 1 1/2" to 2 1/4"
Medium: 2 1/4" to 2 3/4"
Large: 2 3/4" to 3"

How to Wear EarPops

To put on EarPops™ ear muffs, turn each one inside out and slip the inner pocket over the top and back edges of your ear. Then press lightly on the outside edges of the EarPop, turning it right side out. The EarPop should cover your entire ear.
